ACRYLIC PAINTS, FINISHES & MEDIUMS

OEM & private label

Purpose

With exceptional acrylic paints, we provide an eternal color foundation for artists' creations of today and the classics of tomorrow. Through science and craftsmanship, we preserve the vibrancy and integrity of every stroke you express.

Company Profile

The Montelise trademark is registered in the United Kingdom. We manufacture our paints at our own factory in China and sell them on Amazon and through our Shopify store.

Our range includes acrylic paints, specialty finishes, texture pastes and painting mediums for artists, studios and workshops. We offer OEM and private-label options for selected products.

For product evaluation, we can share photos and short videos of the actual paints and painted swatches on request.
